function

Group ideas

Take turns sharing your ideas while clustering similar or related notes as you go. Once all sticky notes have been grouped, give each cluster a sentence-like label. If a cluster is bigger than six sticky notes, try and see if you and break it up into smaller sub-groups.

20 minutes

Reduction in collection costs

Iot helps to identify the empty trash bins

Transparency on waste situation increase efficiency over time

Iot solution notes to make it easier to find, browse, organize, and categorize important ideas as uses the data& themes within your mural. selects routes

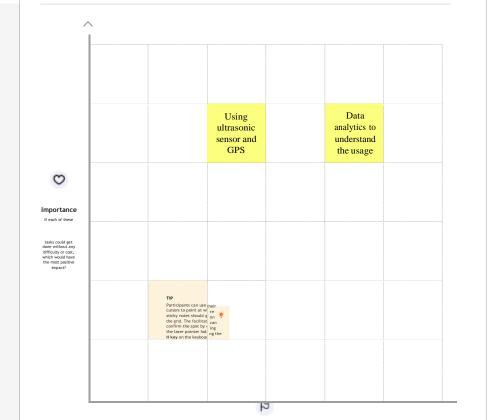

Waste collection trucks,leads to pickup

Data analytics canhelp assess trends to better plan

Prioritize

Your team should all be on the same page about what's important moving forward. Place your ideas on this grid to determine which ideas are important and which are feasible.

20 minutes
